Dear Tim.

First, I want to express my complete satisfaction with the purchase of my new 09 Diplomat from you. As you know, making a purchase of a first coach along with the fact I am located in New Mexico, can be more than a little stressful. Not the case AT ALL in working with you. Once I learned that DeMartini was THE place to go, all the anxiety was lifted.

The personal attention runs through the entire DeMartini family. Because of that I have made many recommendations to simply contact Tim DeMartini!

I wish you continued success!

A very happy Customer,

Rich Zielinski
